THE FALL WINTER '20 COLLECTION

Seasons come and seasons go, bringing with them a never-ending supply of new exciting colors and looks, inspired by the ever-changing behavior of cosmopolitan men and women.
The focus for the Fall-Winter collection '20 is a combination of the chic and western 70's decade.
The colors are inspired by our three themes: Mountain Mood, Peak Sunset and Into The Woods.
A collection that strives for freedom, difference and above all; individuality.
