

Fall_Winter 2016 Woman Collection

The **Gold Fairy** name comes from the union between the Gold Bug, that the beetle symbol of luck, and constant renovation and rebirth the word Fairy. Fairy with wings like an insect, but a symbol of femininity.

The image of the beetle is taken as a common thread throughout the collection, accessories customized, in graphics and all-over prints.

The woman **Gold Fairy** is versatile, dynamic and urban, but also strong and sophisticated, sometimes romantic.

The collection is divided into three main situations, one closely linked to the denim world and shades of blue and indigo, a more colourful tones camel, bordeaux and military green, perfect for the day and one in shades of silver and black with a touch of coppered gold, dedicated at the evening.

Blue Chic

The protagonist is the denim in all its forms, weight, cleaning and product category, so not only trousers, but also skirts, dresses, blouses and tops, accompanied by basic items, not always obvious and attention to details.

Shining Colours

The Woman's day Gold Fairy, functional and dynamic, but always influenced by trends. From Jackets to the t-shirts printed, to provide a complete look for every situation.

Sparkle Night

Part of the collection dedicated to the evening, sophisticated and elegant, but also tough and strong.

The garments are embellished with bright decorations and embroidery, faux leather and faux fur characterize the coats.
