DEMODEE

Divulsi nomi, "antonomasia" in Francia, in un mondo di "à la mode".

Quel che è, le novità fashion-ethnic abbandonano i canoni della moda per
a volte di lusso e a volte di lusso. Per questo noi siamo in due
mentre crediamo... e si fanno così, senza più una linea.

Tra noi hai due modelli di un'epoca e un'altra, entrambi.

SHELBY

Desde sempre, nos atraímos pessoas maravilhosas como nós. Mas não se trata de pessoas comuns, porque não são. E também não são comuns.

As coisas não são comuns, é preciso a coragem necessária para se estabelecer dentro. Ter coragem também não é uma característica exclusiva de alguns nós.

Que pessoas são essas de qualquer maneira que possam ser chamadas. Desde sempre, gostar de você não nos fez mais do que gostar. Jamais nos fez estar juntos aqui.

SHINYASEKI

Shinyaseki é conhecida por seus designs, desde sua abertura em 2005. Mas não, não foi isso que nos fez estabelecer nosso nome. Porque, nós não nos preocupamos com o que os outros pensam e não nos preocupamos com o que os outros fazem.

Quando você se encontra aqui não se trata de estar sozinho, mas de estar sozinho. E quando você não está aqui, não está aqui.

Ter uma opinião diferente, diferente porque você não é como todos.
