MODERN MAP PARIS, TUILERIES-OPERA-HOCHE

JANUARY 2019 > FALL/WINTER 2019-20
MEN'S COLLECTIONS & WOMEN'S PRE COLLECTIONS

We published the first Map Tuileries, Opera, Hoche on the occasion of the September 2018 Paris Fashion Week.

This new Map wants to highlight the prestigious presences that animate this area during Paris Fashion Weeks.

For several years we published the Map of Le Marais, (see map cover Marais January 2019). These 2 maps are complementary and allow

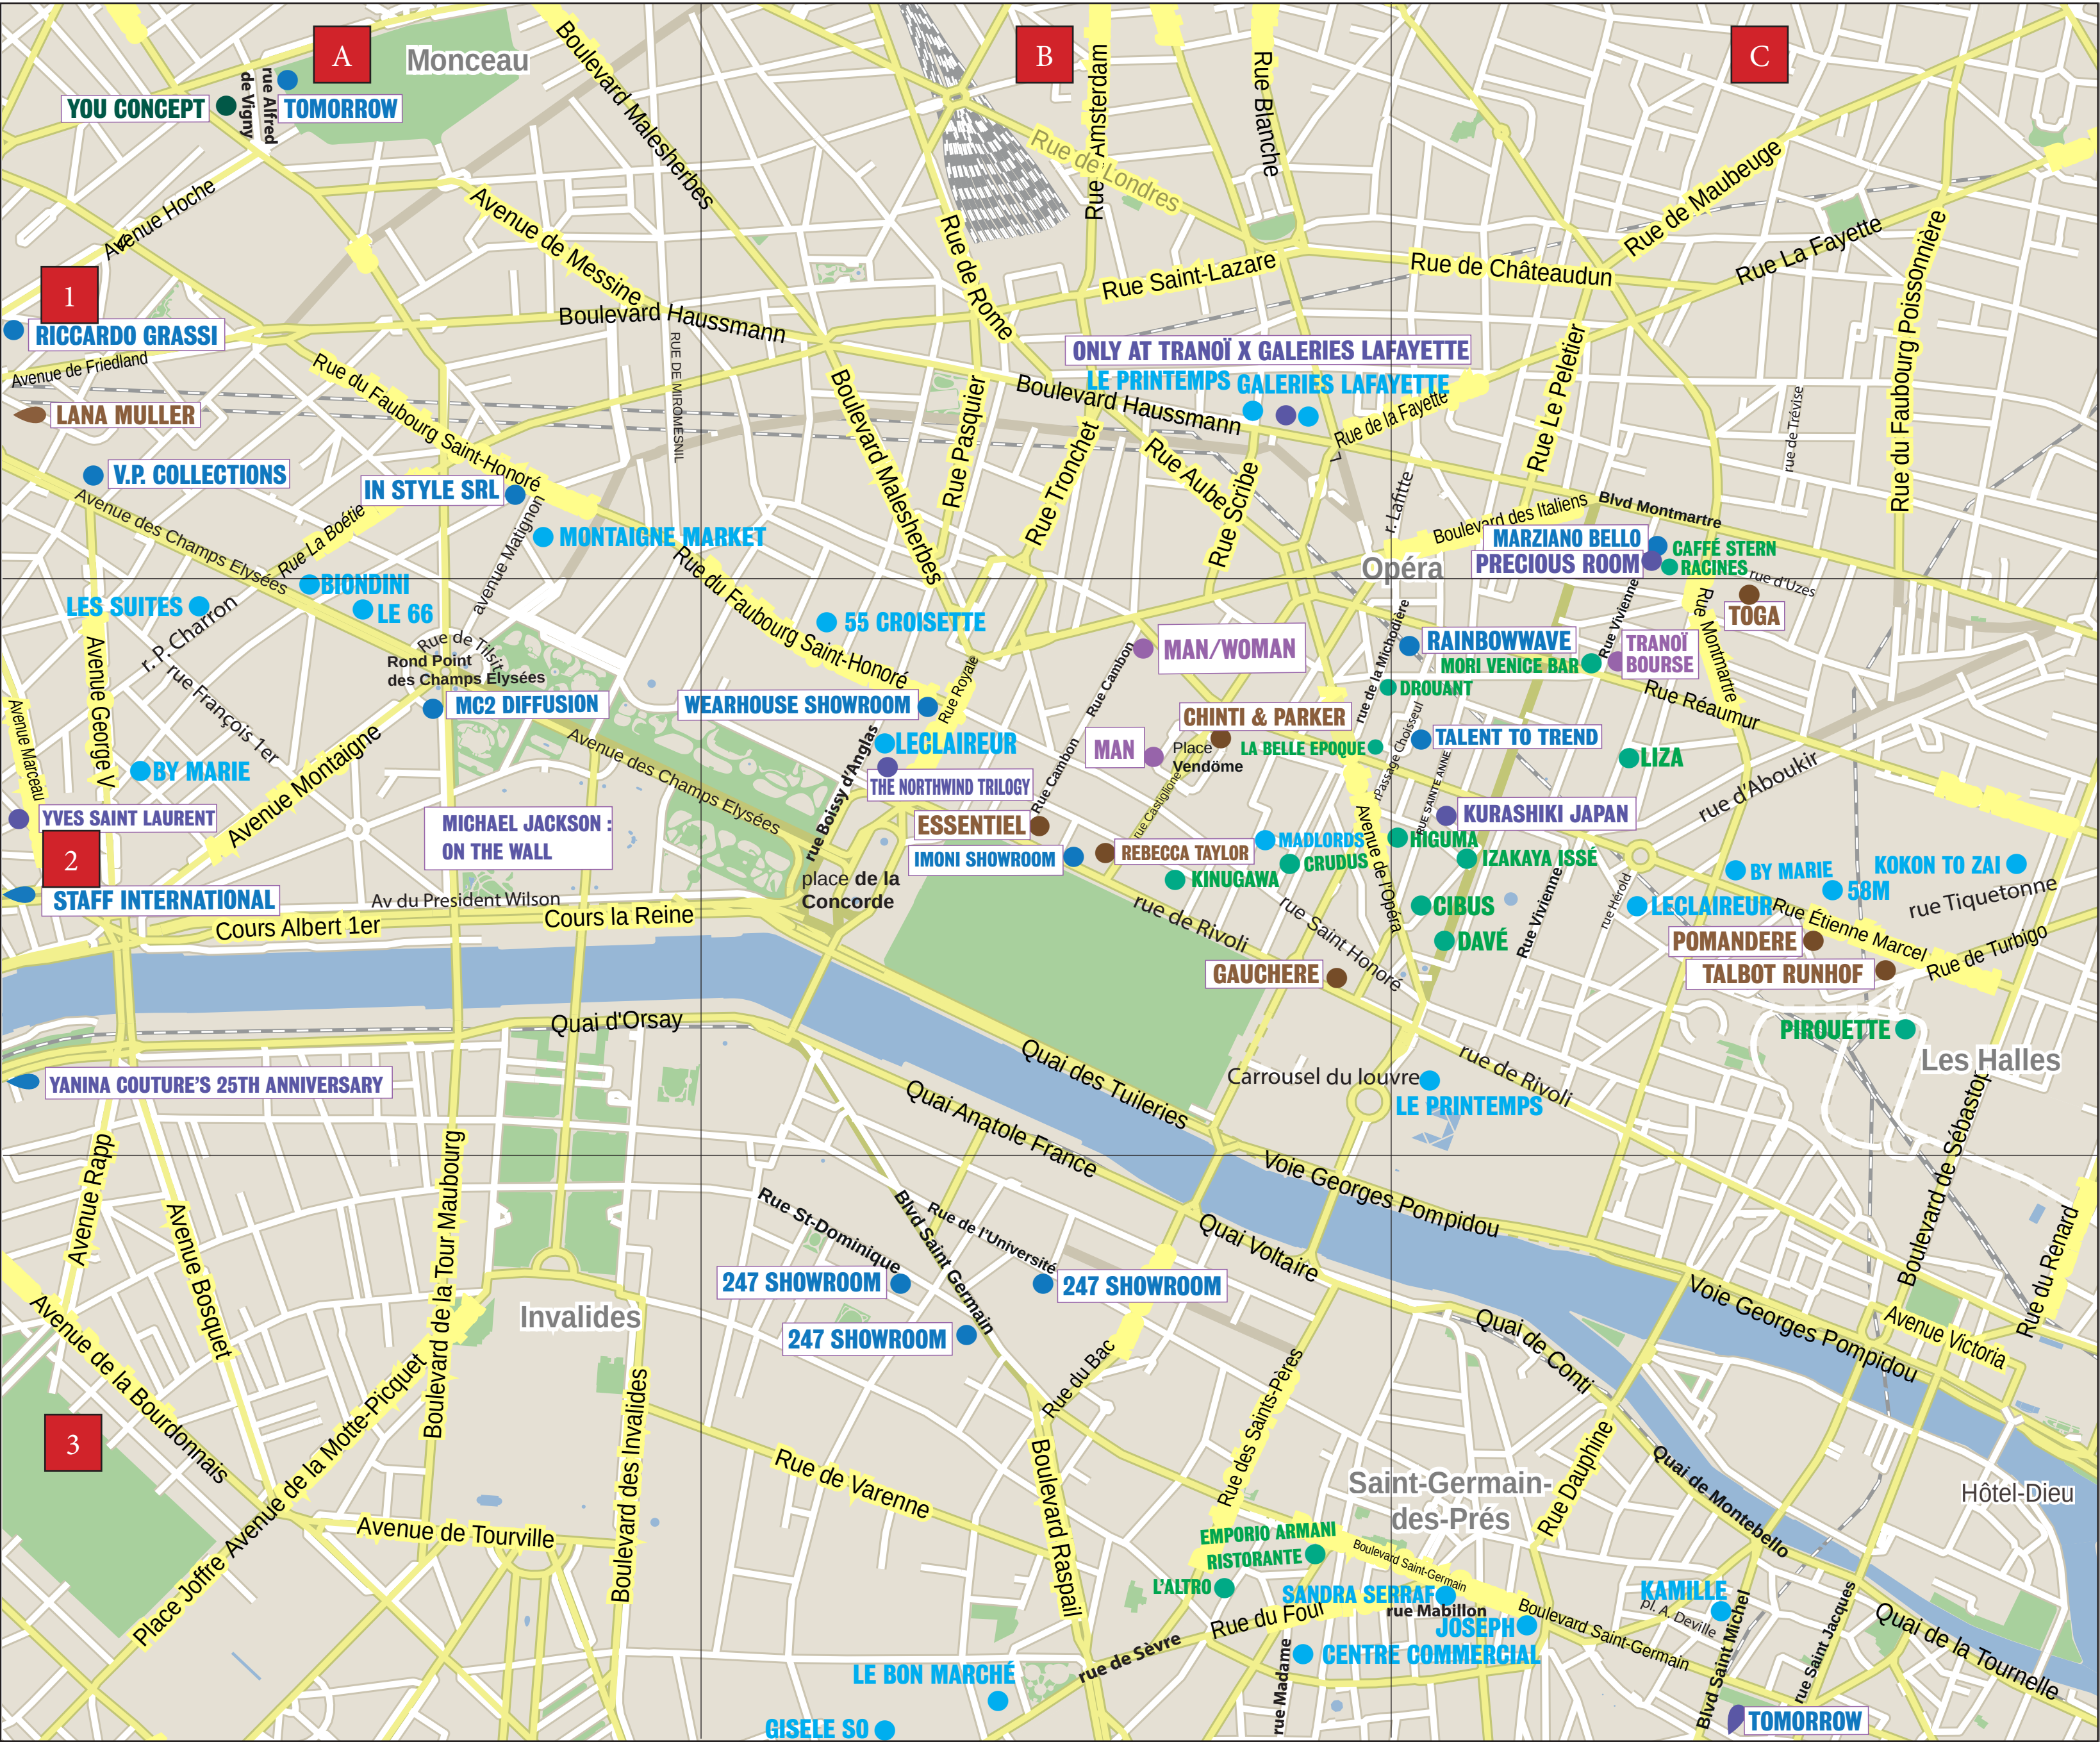

you to have an overview of the events and showrooms taking place during this period.

They are distributed in addition to the editions Modem Men London/Florence/Milan/Paris and Modem Europe that you will find at trade shows and in the showrooms.

The digital editions of these editions and maps can also be viewed on modemonline.com.
