

A person is shown from the waist up, wearing a vibrant, multi-colored costume with a complex, woven pattern in shades of yellow, orange, red, and blue. They are holding a large, crumpled pink gift bag with both hands. The background is a blurred indoor setting with white architectural elements and soft lighting. The word "NATAN" is superimposed in white, bold, sans-serif capital letters across the center of the image.

COUTURE SPRING / SUMMER 2022

Belgium's favourite fashion house and easy luxury brand is welcoming this new spring with a mood of blossoming optimism and vibrant silks. Precious materials and elegantly spectacular lines present a timeless and yet resolutely modern fashion that accompanies our desire for summer celebrations.

PIXELATED

With vibrant joyful colours on a contrasting delicate white background, the patterns announce the sophistication of the season. Panoramic flowers in intense pastel palettes, grid effects sketched in summery shades of green or pixelated dark pinks, giant butterflies in the style of the artist Pelouse, daisies or leaves on an oversize smock-cape, retro and deceptively naive 3D patterns radiate joy across a collection that invites experimentation and self-expression over the entire fun and stylish spectrum of a new take on luxury.

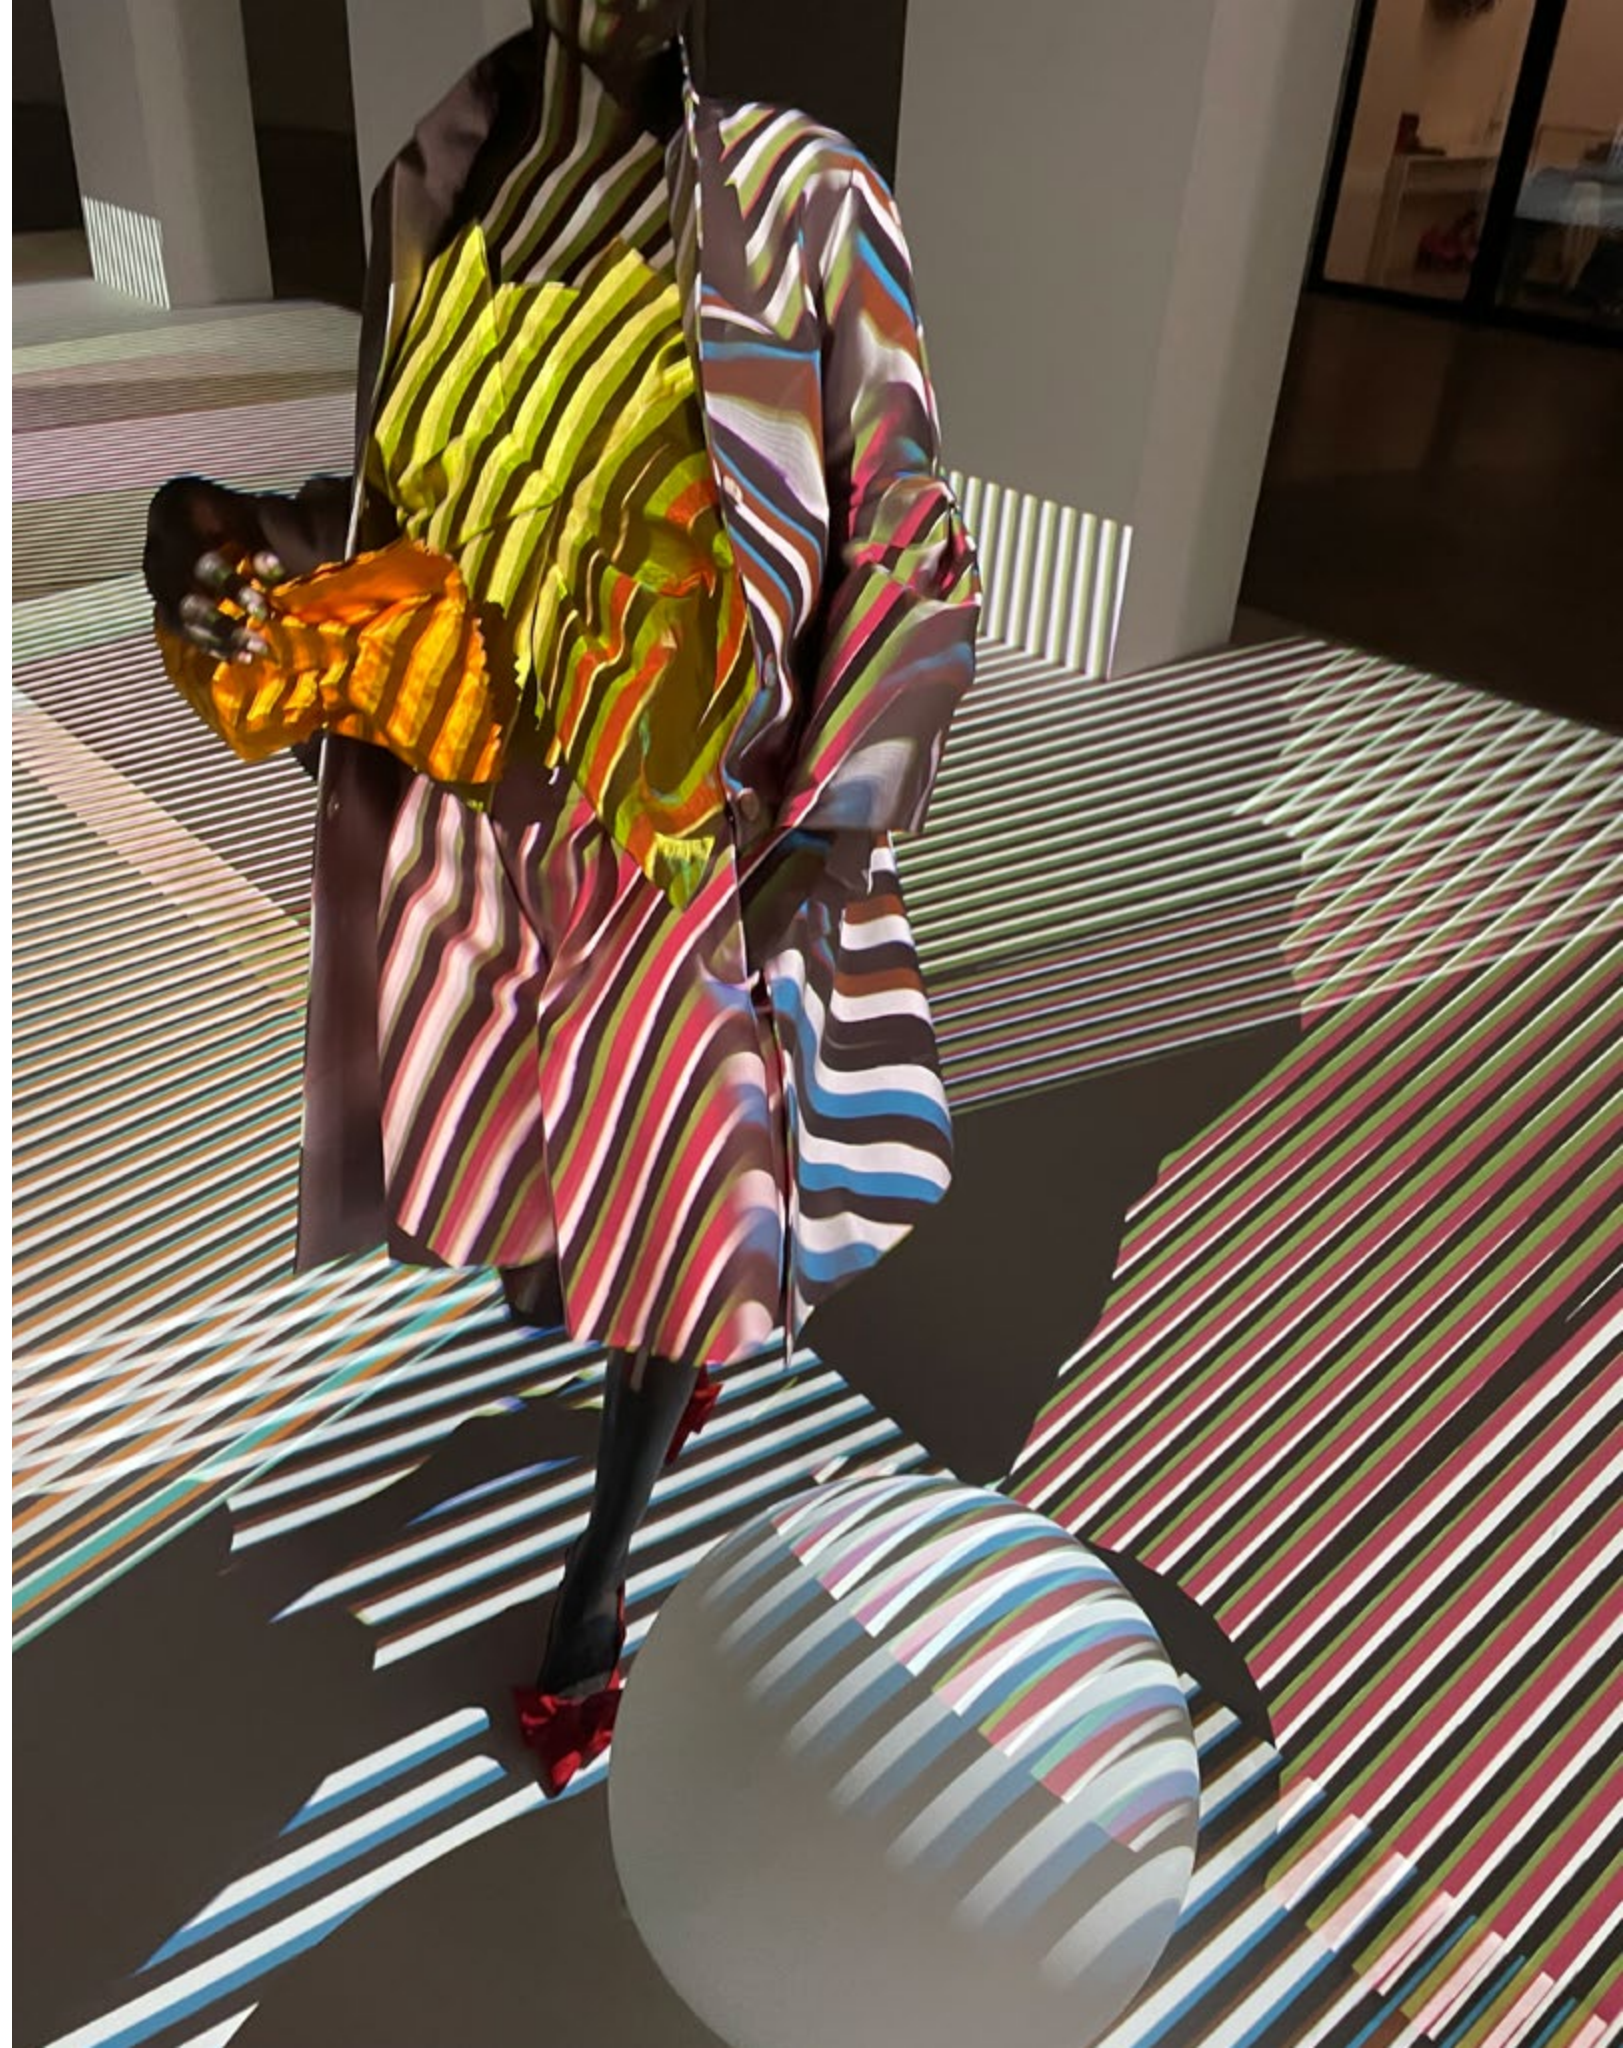

ABOUT BALANCE

With subtle hints of transparency in openwork pink lace and the brilliant sheen of poppy-red satin shorts, the materials play and converge to create new and amusingly elegant contours. From extra-wide balloon sleeves taking us to colourful horizons (neon green or lemon yellow) to tops with caped shoulders, Maison Natan cultivates asymmetric effects to create a balanced wardrobe.

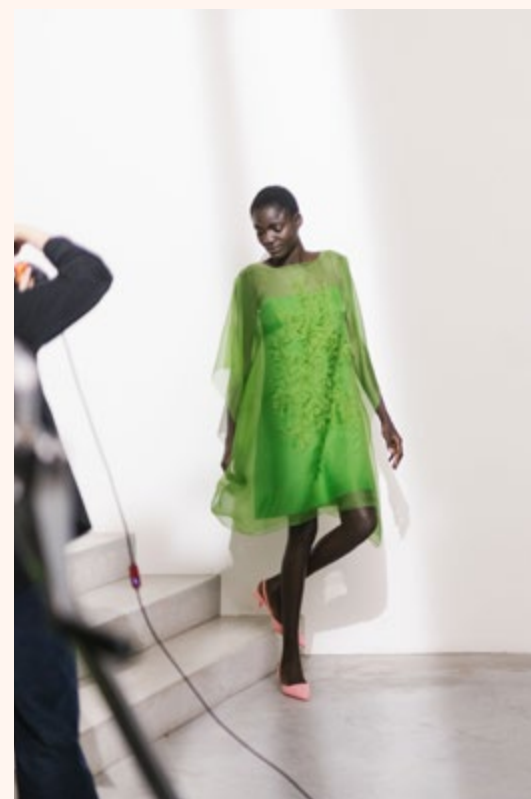

THE BOW

Evening cocktail styles emerge from large taffeta bows, ideal for a (re)discovery of the world and the pleasure of shared moments, with changing horizons. Softly flowing net fabrics in vibrant hues infuse a youthful boost of energy, while short styles inspire us to dance or dream. Maison Natan's Couture is designed to be worn as we wish, with sensuality and lightness, in a philosophy spanning generations and occasions. Each look can be accessorised for day or evening wear. Play with flounces and movement: the lace look is here, wear it with style!
